Christian world view

a world view is a belief system used to interpret life

a Christian world view believes that God (the Bible · Jesus Christ) provides the true foundation for interpreting life

the origin → **how did I come to be?**

we were created by God · in the image and likeness of God

the identity → **who am I?**

we are fallen creatures · enslaved by sin and cursed by death

the meaning → **why am I here?**

we live to know God · to enjoy Him · to glorify Him forever

the values → **what are my virtues?** aesthetics · ethics · morality

we believe that God is the source of all absolute truth

the function → **how shall I live?** salvation and kingdom

we live by grace through faith in Jesus Christ alone

the future → **where will I end up?**

we will live forever in the kingdom of God

the foundation of a world view
