Introduction

Jesus saves! To many this simple statement is just a religious slogan on a bumper sticker or perhaps a placard at a sporting event. At best it might reflect the religious diversity of our country. At worst it symbolizes mindless religious fanaticism. In fact, these two words express a truth that is infinitely profound. It is truth that, while mysterious to the most intelligent and well-trained human mind, is of profound significance to all men. This simple statement announces the only solution to a problem of immense proportions, the wide chasm between God the Creator and man the creature. It is an infinite distance because at one pole is God in all His holiness and at the other, man the sinner. The absolute righteousness of God renders the span impassible by sinful man. The only bridge for this gap is found in the truth of this simple statement: Jesus saves.

You would think that such a wonderful message would be eagerly received, if not eagerly sought, by men who face death daily. But this is not so! While the Bible speaks of this message as the wisdom of God, it also tells us what human experience confirms. Man considers the salvation of Jesus as foolishness. How can this be?

In a real sense, this question shows ignorance of the truth about the work of salvation. It shows failure to understand the great width of "the mighty gulf that God did span." Man, the sinner under the sentence of eternal damnation, is constitutionally hostile to the very concept of God and scorns the very thought that he might need salvation. God, Who is perfect in holiness, is under no obligation to deliver His depraved creature from His perfect justice. The wonderful story in the Bible is that God did just that by Jesus Christ at Calvary. The more informed should ask, "How can *this* be?"

It is the purpose of this study guide to answer this second question. We will begin by looking at man as he was created in the beginning. He was made in the image of God and given a place of dominion and honor over creation. He had fellowship with God. Tragically, he rebelled and came under the curse of God. He lost all spiritual capability and is now unable to seek or know God. Ignorant of his plight, he faces the

sure eternal wrath of God after his life on earth is ended. This desperate condition cries out for a solution, but there will be none from man's side.

But Jesus saves! The amazing truth about God is that He determined in eternity past to glorify Himself by producing an incredible solution to this hopeless situation. This work of salvation is accomplished by the sovereign power of the Triune God.

God the Father chose a people for Himself from among the fallen race. God the Son entered the human arena by becoming a man. Sinless, Jesus bore the sins of the people of God. He suffered the eternal wrath of God in their place. His justice satisfied, God raised Jesus from the dead and exalted Him at His Own right hand where He pleads the cause of the redeemed and awaits the coming Kingdom of God on earth. God the Spirit overcomes the power of the curse by quickening those who will believe. All this is done before the fallen creature has made any move toward reconciliation with God. It is pure grace.

Because of this, the elect of God hear, understand and respond to the Gospel call. At the very moment the sinner realizes his desperate condition, he perceives the gift of salvation that is offered to him by faith in Jesus Christ. Even the faith to receive deliverance is a gift of God. With new life, the child of God daily seeks to walk worthily of his calling, absolutely secure in his eternal destiny. At peace with God, he will be forever with Jesus.

Jesus saves. This is an incomparable truth. The simplicity of the statement obscures the wonderful activity of the Triune God. At the same time, nothing could state the truth more precisely or more eloquently. Jesus saves all who come to God through Him. The wonder of this simple statement ought always to amaze us. As we seek a greater understanding of this magnificent work, we must increase in praise and thanksgiving to God our Savior.

SCRIPTURE MEMORIZATION

Ephesians 2:1-10

1. And you hath he quickened,
who were dead in trespasses and sins;
2. Wherein in time past
ye walked according to the course of this world,
according to the prince of the power of the air,
the spirit that now worketh
in the children of disobedience:
3. Among whom also
we all had our conversation in times past
in the lusts of our flesh,
fulfilling the desires of the flesh
and of the mind;
and were by nature the children of wrath,
even as others.
4. But God, who is rich in mercy,
for his great love wherewith he loved us,
5. Even when we were dead in sins,
hath quickened us together with Christ,
(by grace ye are saved;)
6. And hath raised us up together,
and made us sit together
in heavenly places in Christ Jesus:
7. That in the ages to come
he might show the exceeding riches of his grace
in his kindness toward us through Christ Jesus.
8. For by grace are ye saved through faith;
and that not of yourselves:
it is the gift of God:
9. Not of works, lest any man should boast.
10. For we are his workmanship,
created in Christ Jesus unto good works,
which God hath before ordained
that we should walk in them.

Genesis 1-2

Memory: Ephesians 2:1

Hymn: "At Calvary"

God created man in His Own image on the last of the six days of creation. From the first man's rib, God made the first woman to be his helper. He blessed them and gave them dominion over all of His creation. After He finished His work, God pronounced it to be very good.
