

Lesson 12: The Doom of Satan

Revelation 20

- *Post-Millennial* Return of Christ

- *Pre-Millennial* Return of Christ

One Objection against *Post-Millennialism*

- Post-Millennialism doesn't fit the description of the millennium in Revelation 20.
 - 1) Christ's return to earth begins the millennium.
 - 2) Satan spends the millennium in the abyss.
 - 3) A resurrection of the righteous begins the millennium.
 - 4) The millennium ends with a battle that is different from the battle that begins it.

Two Objections against *Pre*-Millennialism

- Pre-Millennialism is an overly complicated scheme.
- Pre-Millennialism decreases the relevance of the millennium since it's all for another time.
