It gives only a superficial indication, all that any program can do for a musical work, let alone this one, which is so much all of a piece that it can no more be explained than the world itself. I’m quite sure that if God were asked to draw up a program of the world He created, He could never do it. At best it would say as little about the nature of God and life as my analysis says about my C-minor Symphony.

The “program” of God revealed in “bits and pieces”

The “program” of God is clearly revealed in Hebrews

Hebrews presents the Person and Work of Jesus Christ

Two Covenants – the main structure of the book
  • The Mosaic Covenant – old, first, Law
  • The Everlasting Covenant – new, second, better, eternal
“Now the God of peace, who brought up from the dead the great Shepherd of the sheep through the blood of the eternal covenant, even Jesus our Lord, equip you in every good thing to do His will, working in us that which is pleasing in His sight, through Jesus Christ, to whom be the glory forever and ever, Amen.”
