Daily Bible Reading Calendar

READ
YOUR BIBLE
THROUGH
IN A YEAR

Read the Bible daily

Make it a part of every day's business to read and meditate on some portion of God's Word. Yesterday's bread will not feed the labourer today, and today's bread will not feed the labourer tomorrow. Gather your manna fresh every morning. Choose your own seasons and hours. Do not scramble over and hurry your reading. Give your Bible the best, and not the worst part of your time. *Read all the Bible, and read it in an orderly way.* I fear there are many parts of the Word which some people never read at all. To this habit may be traced that want of broad, well-proportioned views of truth, which is so common in this day. I believe it is by far the best plan to begin the Old and New Testaments at the same time, — to read each straight through to the end, and then begin again. *Read the Bible in a spirit of obedience and self-application.* Sit down to the study of it with a daily determination that you will live by its rules, rest on its statements, and act on its commands. That Bible is read best which is practised most.
